

# Mock Test Series 2021

DSE Super20 mock test series is the first and only test series which trains you to be at your best on the day it counts. This test series bundle will include 6 full tests on ISI pattern (30 MCQs in 2 hours and 9 subjective questions in 2 hours), and 7 full tests on DSE pattern (50 MCQs in 2 hours). Thus, you will get a total of 530 MCQs and 54 subjective questions to solve.

## Why should you take the test series?

You have been working hard for months, preparing for the exam which will land you a coveted seat in one of the most prestigious institute of the country. But mere knowledge isn't enough. The competition is tough, and getting a rank in the top requires *speed* and *accuracy*, which needs candidates to approach the exam with a strategy. We here at DSE Super20 will help you strategize your approach to the test.

## Past Record

In the last 4 years over 100 students had enrolled for the DSE Super20 mock test series, of whom 23 students cleared the DSE/ISI/JNU/IGIDR entrance exam. Many other have got into MSE, Gokhale, UoH, TERI amongst other elite institutions.

## Details

Using our knowledge of the trend of these exams, we have tried our best to make questions which will give you an opportunity to test your preparation level. Both the approach as well as difficulty levels of the tests have been designed keeping the past ISI and DSE tests in focus.

## Taking the test

In light of COVID-19, all the tests this year shall happen online. You can appear for the test either on mobile app, or on the browser. The steps to appear for the test are as follows:

1. Install either our [android app](#) or [iOS app](#) (use Org Code “**BJLJZ**” on iOS), and register yourself providing your primary contact number and Gmail ID.
2. In case you have paid already, you will be added to the mock test batch within a day of installing. If you have not paid the fees, scroll down to know the fee payment options.

3. After getting added to the particular batch, you can start attempting the tests either on the app itself or online. To appear online, [follow the steps mentioned here](#).
4. Before attempting the mock test, kindly appear for “A TRIAL TEST ONLY” to acquaint yourself of the UI of the app/browser
5. A student can attempt a mock test only once on the portal, but you can revisit the problems as many times as you might like. Detailed solutions will be shown right after attempting.
6. After a test, a live doubt session will be held on the app itself for any queries.

### **Past Year Papers**

We have also added the option to appear for past years on the mock test portal. Each student of Mock Test series can attempt the past years of DSE and ISI ranging from 2004 to the latest as many times as she desires.

### **Past Year Discussion**

This year we have decided to provide the solutions for the past 16 years ISI and DSE entrance and allow access to the discussion sessions for the Mock Test enrollers as well.

### **Fees and Payment**

The fees for the mock test series is **Rs. 5000/-**. You can either [pay us on this link](#) or via PayTM /GooglePay on 7838447570 (Mayank Mundhra) or via UPI on mayank.mund@icici
